PROFESSIONAL EXPERIENCE

Ms. Harper is currently a Project Manager Assistant at **Harper Environmental Associates, Inc (HEA)**. She has 25+ years of experience in business and commercial banking, including 7 years with Harper Environmental. Her primary responsibilities at HEA include administration of waste profiles, manifests, preparation of work scopes & budgets, general accounting, and assistance with project management.

- Prior to joining HEA, Ms. Harper was employed by Silicon Valley Bank for 3 years as Senior Vice President and Manager of the Philadelphia regional office. Her responsibilities included managing a profit and loss center with 5 employees; directing a commercial lending group specializing in early stage technology and life science companies; negotiating lending terms and conditions; and monitoring and managing a \$100+ million loan portfolio.
- Ms. Harper also worked for 15 years in varying capacities for First Union National Bank, and its predecessor banks, Corestates Bank, Meridian Bank and American Bank and Trust, and has extensive experience in client management, small business lending, and operational mergers.
